Hello:

We hope you are enjoying the wonderful summer! SATS 6th Annual “Volunteers’ Grandparents Day Celebration” will be held on September 12, 2010, which is on the actual Grandparents Day this year! The doors open at 11:00 am at the Santa Maria Goretti Community Centre at 11050-90 St. You are cordially invited to celebrate with us - Bring along your family and friends for a wonderful 7 course Italian Brunch where people can do their shopping and have fun! We have a Caricaturist scheduled along with live entertainment! All are welcome!

We are also selling raffle tickets for \$2.00 where a person can win one half of the amount of all tickets sold and at the same time support SATS.

Seniors Assisted Transportation Society of Greater Edmonton or SATS is also requesting support for the Celebration; with a sponsorship, a Live or Silent Auction Item and/or Door prizes for this celebration. A donation to our SATS “Volunteer Drivers for Elderly Seniors’ program” is so appreciated as it directly subsidizes the 20,000 Volunteers doing the Driving for the Elderly. SATS was set up just to bring attention and support to isolated elderly that really need this volunteer driver support for outreach help with important shopping, medical appointments, banking, visiting immediate family in the nursing home or hospital, etc.

This year, SATS has been able to expand its services to the Greater Edmonton area, from 8:00 am to 8:00 pm Monday to Sunday inclusive, so we are growing. Thank you in advance for your donation to support SATS! If you have any questions about this request or a question about our program, in general, please call 780 732-1221 or my direct email is anna.der@satsfedmonton.org!

Yours Sincerely,

Anna L. Der, CFRE, Executive Director,
Seniors Assisted Transportation Society of Greater Edmonton
